## About me

I am a humble and curious individual with a strong passion for learning. I believe in facing challenges head-on and never give up when presented with obstacles. With courage, I take a stand and embrace responsibility, actively seeking solutions to the difficulties I encounter in life. My approach is to remain open-minded and resilient, always striving to grow and improve in every situation.

## Work Experience

### Skruf Snus AB sävsjö 2018-2023

I worked as a machine operator at a snus factory in Sävsjö.

### Trelleborg wheels AB sävsjö 2017-2018

I worked with a CNC machine since I studied CNC in high school, and I had various machine programming tasks.

### Telepass

I had/have some extra work as a taxi driver.

### Jönköping University

I was hired as a lab assistant for two courses.

## Education

### Jönköping University

Högskoleingenjör inom Data och vetenskap  
mobila och plattform 2024-2026

### CNC gymnasiet nivå

2016-2017
