

# AHMAD ALHINDY

Computer Engineer

## Contact

- 0724304217
- Alhindy.se@gmail.com
- Sävsjö, Sweden
- <https://ahmadalhindy.com>
- [www.linkedin.com/in/alhindy](https://www.linkedin.com/in/alhindy)

## Skills

- Programming: Python, Java, C++
- Mobile: Kotlin, Swift
- Web: React, Next.js, Node.js, TypeScript
- Tools: Git, Docker, Figma
- Databases: MySQL
- Concepts: OOP, Agile, DevOps, Scrum
- Other: Basic knowledge of Machine Learning

## Languages

- Arabic (Fluent)
- Swedish (Fluent)
- English (Upper-Intermediate)

## Technical Summary

Computer engineering with strong interest in software and web development. Experienced in applying engineering principles to build reliable applications, analyze technical challenges, and improve system performance. Motivated to develop efficient, scalable solutions through continuous learning and hands-on technical work.

## Work Experience

### Skruf Snus AB sävsjö 2018-2023

I worked as a machine operator at a snus factory in Sävsjö.

### Trelleborg wheels AB sävsjö 2017-2018

I worked with a CNC machine since I studied CNC in high school, and I had various machine programming tasks.

### Telepass AB

I had/have some extra work as a taxi driver.

### Jönköping University

Supported students during laboratory sessions in technical courses.

## Education

### Jönköping University

Bachelor of Science in Computer Engineering  
(Expected Graduation: 2026)

### Technical High School – CNC Specialization

2016-2017
